1 thing I  
admired  
about him!

1 thing I admired about him: He was against any favoritism.(or very special favors to a group)

Story:he vetoed(said no)to a bill asking to send 10,000\$ worth of seed grain to farmers in a drought in Texas! (Thats a lot of money now, but imagine what it was worth back then!) This is evidence that he was against favoritism(or very special favors to a group).
